

KZFR Program Committee

What is the Program Committee?

It is a group of community members who are responsible for the selection and evaluation of KZFR programs.

Program Committee members work to ensure that KZFR programs serve the range of needs of the community, particularly those of the unserved or under-served audiences.

The Program Committee may also advise the Board of Directors on program policy and ascertainment of community needs.

What is required of committee members?

When program slots open up due to resignations, or other changes, the Program Committee will act with the General Manager to review applicants and select programs for the open slots after the posted period of notification has ended.

The Program Committee shall meet a minimum of 6 to 8 times a year, although monthly or more frequent meetings may be necessary.

The Committee will consist of 5-9 members and will be chaired by the General Manager.

At least two, but not more than four, current certified programmers may be on the committee at one time. Each year, concurrent with Board of Directors elections in June, programmers will elect one committee member. Other members will be appointed by the Board of Directors.

Terms shall be served for two years.

PC members should be familiar with KZFR programming.

PC members will be asked to consider issues such as:

- program flow and transitions
- time of day and format of program
- programmer announcing proficiency and control board knowledge
- program formats not readily available

How do I apply for membership on the KZFR Program Committee?

Submit the following application to staff in the KZFR office, 341 Broadway, Suite 411, Chico, CA or mail to PO Box 3173 Chico, CA 95927.
